WORK EXPERIENCE

UltraTech

Product Manager Intern

June 2022 - Aug 2022

Mumbai, India

- Analyzed the issues faced by 100+ vendors & dealers such as invoice, product SKU, payment gateway.
- Collaborated with the technical team to diagnose and resolve 20+ software bugs within 4 weeks.
- Contributed to the ongoing strategy, design and implementation of the portal that bridges both parties.

FNetwork

Blockchain Developer

July 2021 – June 2022

Delhi, India (Remote)

- Worked alongside with the team to develop a decentralized application along with native ERC20 token.
- Conducted extensive testing of the smart contract on Polygon Main-net; achieved 100% test coverage and decreased risk of security vulnerabilities.
- Collaborated with the Tech team to optimize website load time; conducted A/B testing and reduced page load time by 2 seconds, resulting in a 30% increase in page views.

Accornet

Front End Developer Intern

Sept 2020 - Feb 2021

Mumbai, India

- Independently wrote 150+ lines of code for the front-end of the website.
- Recruited 3 member and performed brainstorming activities daily on new UI templates.
- Contributed to the team by collecting data-sets and performed scrapping for projects.
